

## **Job Description**

We continue to expand and serve individuals in the amazing state of Colorado and the Rocky Mountain Region and currently have several positions open for Registered Behavior Technicians (RBTs), Board Certified Behavior Analysts (BCBAs) and Behavior Therapists (BCaBAs) and others seeking experience and work in the field of Behavior Analysis!

Many areas in Colorado continue to be ranked as some of the best places to live in the U.S. and we have excellent opportunities for you to join our team. We are a locally owned and BCBA operated family business since 2005. We are a growing company expanding our services across Rocky Mountain states, across populations, and funding streams, with many advancement opportunities including leadership and director positions. All supervisory roles in our organization are BCBAs or BCBA-D's providing you a high level of ongoing support and supervision as you continue to develop and hone your behavior analytic repertoire.

We provide a wide variety of behavior analytic services across a wide range of individuals. We serve ages 20 months to 85 years old. We also provide training for schools, parents, support groups, direct care staff, curriculum development, and social skills classes. Opportunities are available for collaborative research and consultations with BCBAs and BCBA-Ds. Services are provided in a variety of community settings including homes, schools, vocational sites and day programs.

Applicants must demonstrate a strong work ethic, autonomous organization skills, excellent verbal/written communication skills and strong time management skills required. Applicants should have experience with functional analysis, ABA behavior reduction, skill acquisition assessments and programming. BCBAs with supervisory experience are strongly preferred. Applicants must be committed to an evidence-based, behavior analytic approach. Applicants should work well independently and collaborate with and interact well with others. For more information about our services please visit our website <http://www.bsotr.com>. Positions up and down the front range available, Cheyenne and Northwestern New Mexico.
