

## ANDROID PHONES

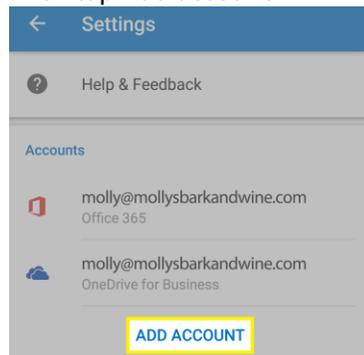

1. If you don't already have the app on your device, install the [Microsoft Outlook app](#) from the Google Play Store, and open it.
2. When you open the app, what do you see?
  - a. **If you see the Outlook logo, tap Get Started.**

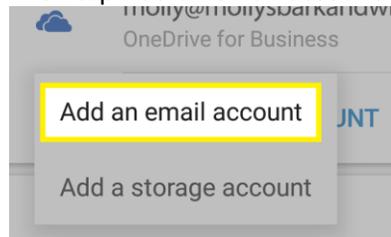

- b. **If you see your Inbox, tap  (Settings).**

Then tap **Add account.**

Then tap **Add an email account.**

3. Enter your email address.

4. Tap **Continue**. The button will change to say **Looking up account**.

5. You will see a GoDaddy log in screen. Enter your password. If you don't remember your password or need a new one text Travis

Would you like to add another account now?

LET'S DO IT!

MAYBE LATER

## Next step

- You should see your messages show up in your inbox. To make sure you can send messages, compose an email and send it to yourself.
- As a troubleshooting step, try turning off your wifi, and then follow these steps, again.
